Dogs reigned supreme at the Biltmore Hotel on Aug. 25 where Paws 4 You Rescue, a Miami-based charity, welcomed guests and their dogs to a unique cocktail reception.

As the pooches mingled, the guests enjoyed hors d'oeuvres and sipped on signature Pawtini drinks such as the Blue Beagle and Chocolate Labtini. Guests had the opportunity to socialize with dog-friendly businesses, which included local pet sitting services, dog trainers, specialty pet stores and gourmet dog treat bakers.

All proceeds will benefit Paws 4 You in providing rescued animals with professional medical care, training, and a safe environment until forever homes are found for each one.
